

Hammad Khan

WordPress Developer & Frontend Specialist

Multan, Punjab, Pakistan | hk5718721@gmail.com | +92 310 4301976 | hammadkhan-hub.github.io/Portfolio | github.com/HammadKhan-hub

PROFESSIONAL SUMMARY

Frontend developer specializing in WordPress and modern web technologies. Recently completed advanced training in Elementor Pro and WooCommerce (December 2025). I build responsive, high-performance websites using a combination of custom code and modern WordPress tools.

My approach: Fast, clean development with strong attention to design and user experience. I believe in writing code that's not just functional, but maintainable and scalable.

Advanced WordPress Development

- Elementor Pro - Professional page building and customization
 - WooCommerce - E-commerce setup and payment gateway integration
 - Performance optimization and responsive design techniques
-

TECHNICAL SKILLS
